All users share the responsibility of ensuring that the library has a conducive environment for reading, research and study. Below are basic rules that should be adhered to:

- Low noise level should be kept, including in library foyer.
- Hand phones should be kept in silent mode in the library.
- Users are reminded that they must be properly and decently attired when they are in the library. Library services will be denied to those not complying with the University Dress Code.

### Library Missions

To provide convenient and effective access to high quality library services and collections in a variety of formats, in supporting IMU being a leading private Asian health educator.
