[Data privacy information of the service](#)

The information above would be shared with the service if you proceed. Do you agree to release this information to the service every time you access it?

Select an information release consent duration:

- Ask me again at next login
 - I agree to send my information this time.
- Ask me again if information to be provided to this service changes
 - I agree that the same information will be sent automatically to this service in the future.
- Do not ask me again
 - I agree that **all** of my information will be released to **any** service.

This setting can be revoked at any time with the checkbox on the login page.

Once successfully login, you are good to go and have full access of **Clinical Key for Nursing**

The screenshot shows a web browser window with the ClinicalKey for Nursing website. The browser's address bar displays 'clinicalkey.com/nursing/#!/'. The website header includes the Elsevier logo and the text 'ClinicalKey for Nursing', along with a user login status: 'Logged in via International M...'. The main content area features a large orange background with a search prompt: 'Search for conditions, procedures, drugs, and more'. Below this is a search bar with a dropdown menu set to 'All Types' and a search input field containing 'Search...'. Underneath the search bar are two horizontal navigation menus: 'Browse' with links for 'Books', 'Journals', 'Drug Monographs', and 'Patient Education'; and 'Tools' with a link for 'IV Dosage Calculators'. At the bottom of the page, there are links for 'News and Updates', 'Other Resources', and 'Nurse Educator Topics'. The Windows taskbar at the bottom shows the date as 29/9/2019 and the time as 1:21 PM.

Thank you!
