Dear [REDACTED],

Thank you for registering for **UpToDate® Anywhere**. Your UpToDate user name for your affiliation with International Medical University is shown below:

User name: [REDACTED]

Your password is confidential; if you forgot your password, [click here](#).

UpToDate Anywhere provides you with:

- UpToDate Mobile Apps for your iOS, Android, or Windows 8 devices.
- Fast and easy access to UpToDate from any computer with an internet connection.
- Free CME/CE/CPD credits when you research a clinical question using UpToDate. (Earning credits may not be applicable in all markets. [Click here](#) to learn more.)

Download and install the free UpToDate Mobile App:

- On your smartphone or tablet, search for "UpToDate" in your app store and install the application.
- Open the UpToDate Mobile App and log in with your UpToDate user name and password. *You only need to do this once — the app remembers your user name and password.*

IMPORTANT: In order to maintain remote access to UpToDate, simply log in to www.uptodate.com/login from your network every 90 days. [Click here](#) to learn more about this process, including other ways you can verify your affiliation with International Medical University.

Note:

This tutorial will demonstrate installing the app through an **Android** device. Same steps are required in installing the app through iOS devices

Access the below according to your device's operating system:

- i. **Google Play** (for android)
- ii. **Apple Store** (for iOS)

9

Click **Install** to begin installing the app from your app store

Access **UpToDate** app through your mobile device
